Dear Mr. Young:

This is in response to your request made pursuant to the Access to Information Act received on July 29, 2013, worded as follows:

"The government has reported that all data in the Long-Gun Registry (LGR) has been destroyed with the exception of LGR data in and for the Province of Quebec. Please provide copies of all reports, correspondence, policies, procedures and any other documentation that would show what happened to all data collected on millions and millions of firearms transfers and transactions since the Firearms Act came into effect in 1998."

Following a complaint filed with the Office of the Information Commissioner, another search for records was conducted with the Canadian Firearms Program and resulted in the enclosed documentation.

Please be advised that you are entitled to complain to the Information Commissioner concerning the processing of your request within sixty days of the receipt of this notice. In the event you decide to avail yourself of this right, your notice of complaint should be addressed to:
