

CPC LEADERSHIP UPDATE

FEBRUARY 2022 – FOR IMMEDIATE RELEASE

TO ALL NFA MEMBERS WHO ARE ALSO MEMBERS OF THE CONSERVATIVE PARTY OF CANADA :

The Conservative Party of Canada (CPC) have voted to remove Erin O'Toole as leader.

There will now be a Leadership Campaign in the Conservative Party. *Canada's National Firearms Association* will advise our membership on the firearms policies of the Conservative Party leadership Candidates.

HERE IS WHAT YOU NEED TO DO:

- Make sure your Conservative Party Membership is valid and up to date. You cannot vote for a new leader unless it is.
- Advise your local CPC Electoral District Association (EDA) that you will not vote for a leadership candidate who is weak on firearms law reform.

If you are not already a Conservative Party member and wish to participate in this campaign to choose a new leader, consider joining the Conservative Party – www.conservative.ca

The world is run by those who show up. NFA members have always shown up, and will continue to do so.

Blair Hagen, National President
Canada's National Firearms Association
