

Jordan Vandenhoff

Thorold, Ontario

I am currently holding the position of Executive Director Digital / social media, Ontario Director. I have been with the NFA since 2015. Held Director for a few years and I am seeking re-election. Since I have taken role, I have been maintaining all the NFA social media Facebook, YouTube, Instagram and twitter. I have been running a bi-weekly live show that we broadcast on all our social media outlets called NFA Talk. We talk about current events, what's going on in the industry of guns and the latest promotions. We also have weekly guests from the industry and political guests. I have been attending all NFA events located in Ontario. This year with covid most of the shows have been canceled.

When I am away from social media and other NFA directors' duties, you can find me on the range. Up until this year I had a love for handguns and long-range precisions shooting but this year I have changed. I found a love for trap shooting skeet shooting. I joined the Hamilton Gun Club and finding myself wanting to start up with ATA and OPTA.

I love the sport of shooting and can't just sit back while our government takes away what privileges we have left in Canada for firearms rights. I look forward to continuing my position and would like to thank the members for their continuing Support
