Please accept this document as my intent to run as a candidate, for the position as NFA Director in Ontario.

I have been a firearm enthusiast for as long as I can remember. For many years I have been disappointed with our Canadian politicians and their handling of firearms issues (mostly Liberal). No longer content to sit back, I felt compelled to speak out and do my part to prevent the further erosion of our firearm rights. I have a history of public service, having been a police officer in Ontario for 30 years.

As the NFA leads the fight for firearm rights, I joined their volunteer team to add my voice and energy. I have been a Field Officer for several years and am now the NFA Coordinator in Ontario. I have participated in numerous events, as a spokesperson for the NFA (gun shows, TACCOM, GATT, BYOF) and have been effective in increasing NFA membership. I have also developed strong relationships with fellow members of the NFA and the current Board of Directors. I actively participate and contribute to the NFA's "Facebook" page. Outside of the NFA I have found other means to affect political change. I have been actively involved in Conservative politics in the riding of Cambridge. I currently sit on the Electoral District Association Board as well as the candidate selection committee.

If elected to a directorship of the NFA, this position would allow me to further my strong support and dedication to our organization and the fight for firearm rights in Canada.

Thank you for your consideration.

Sincerely,

-Tom Mavin
